

## FUTURE INDUSTRIAL SERVICES LTD ENVIRONMENTAL POLICY

The policy applies to all those working for and on behalf of Future Industrial Services Ltd. Future Industrial Services Ltd is an environmental services contractor specialising in Industrial Cleaning and Waste Management. Future Industrial Services Ltd conducts its operations and activities in a responsible and professional manner in order to achieve the best possible environmental performance. Our ultimate objective is not only to minimise the impact of our activities on the environment but also to make a positive contribution to improving the environment.

Our specific aims are:

- To comply with all relevant legislation, regulations and other requirements applicable to Future Industrial Services Ltd's operations
- To introduce and maintain a comprehensive management system that meets the requirements of BS EN ISO 14001:2004 which will form part of the existing culture of commitment to continuous improvement
- To ensure that the waste produced or managed by the company are handled, stored, transported and disposed of safely and with due consideration to the protection of the environment.
- To develop and maintain a proactive attitude to staff training and development, so as to educate and motivate all employees to behave in a safe and environmentally responsible manner
- Recycling of waste materials is considered in all of our activities and where viable is undertaken together with measures to reduce energy consumption to achieve continual improvement.
- To prevent pollution in all aspects of the company's operations specifically in relation to releases to air, water and land, as well as develop and maintain contingency plans where significant environmental hazards exist.
- To ensure continuous improvement by the setting of relevant objectives and targets
- Co-ordinate the company's commitment to environmental issues to our customers, suppliers and the general public
- To assess on an annual basis the company's environmental performance through the Management Review process
