### **We operate with safety and compliance at the core of everything we do.**

- We are committed to keeping our people, our customers and the environment safe by acting in a compliant and responsible way at all times

### **We provide industry leading service to all customers.**

- We listen to our customers in order to understand their challenges, and we always provide value for money

### **We respect all of our colleagues.**

- We treat our employees and all of our stakeholders with professionalism, dignity and respect

### **We find solutions for our industrial customers.**

- We find new ways to solve problems by maintaining a network of innovative stakeholders and partners, and we always look to improve our performance by giving every member of staff access to a structured training and development programme

### **Integrity and Ethics are incorporated in all we do.**

- The way we do business is open and transparent and we work with the highest integrity and ethics
