Job Description

Department/location:	Hazardous Waste / South
Hours of work:	40 hours per week: Monday to Friday 0830-1700
Reports to:	Transfer Station Supervisor
Holiday:	20 days plus 8 Bank Holidays
Other benefits:	Company pension after 3 months Bonus scheme Life insurance @ 4 x annual basic pay

General:

To carry out and administer the processing of waste through the Hazardous Waste Transfer Station in Honiton depot, assisting other operators as necessary to ensure continuous operation.

Main Duties:

- Sorting and Bulking of drum/package waste materials
 - This includes a wide variety of waste streams from sample oil based waste to other more hazardous chemicals.
- Washing of empty contaminated containers and cutting up if necessary.
- Shrink-wrapping / labelling and preparing of pallet loads for onwards disposal.
- Operate small plant (fork lift, pumps) in accordance with training:
 - To unload / load lorries
 - Transfer waste
- Complete paperwork associated with the post.
- To provide holiday / absence cover when required.
- Collect waste from customers by Company van or assist with larger collections.
- To help ensure a clean and safe working environment.

General H&S Responsibilities:

- Comply with Health & Safety requirements: as per training, policies, procedures, risk assessments, method statements, safe systems of work etc.
- Actively seek to improve safety culture.
- Report any H&S issues/accidents/near misses to your line manager immediately.

Other General Responsibilities:

- Attend training as required to maintain personal qualification/competence.
- Comply with the Company Equal Opportunities Policy and promote equality.
- Any other duties as required by line management, commensurate with the post holder's level of training and competence.
