Job Description – Industrial Services Operative

Department/location:	Specialist Industrial Services (SIS) Division: Hull, Kirkby, Rugby, Newport, Honiton or Mobile based
Hours of work:	40 hours per week: 8 hours per day Monday-Friday plus overtime as required to meet the needs of the business including nights and weekends
Reports to:	Team Leader, Supervisor, Technical Supervisor, Operations Manager
Holiday:	20 days plus 8 bank holidays PA
Other benefits:	Company bonus scheme, pension scheme, death in service benefit

General:

The role of the Industrial Services Operative is a rewarding role and very varied and the work ranges from unskilled to highly skilled: you could be involved in general site cleaning one day and a confined space tank clean with full breathing apparatus the next. You will operate in support of a variety of industries: you could be working at a cement works or an oil refinery one day and inside a sewage treatment plant or a Royal Navy vessel the next. All IS Operatives are specially trained to carry out the various aspects of the role which are all conducted under strict health and safety rules following rigorous assessment of the potential risks involved. Work is usually carried out at the convenience of the customer, so there will be a requirement to travel and to work unsociable and often long hours to complete a job on schedule. There will be a requirement to pass security clearance to gain entry to certain work sites.

Main Duties:

- Carry out industrial services operations to a high standard in accordance with training and Future Industrial Services Ltd H&S procedures.
 - General site cleaning, repairs & maintenance
 - Scheduled plant cleaning, repairs & maintenance cleaning during shutdowns
 - Pollution control and spill response
 - High pressure water jetting
 - Cold cutting using specialist hydro-cutting equipment (Hull only additional training required)
 - Confined space operations, such as tank or sewer cleaning, which may involve the use of breathing apparatus
 - Rescue team duties (additional training required).
- Ensure customers are treated with courtesy at all times.
- Ensure client is informed at all times regarding task and H&S issues.
- Comply with customer safety and security instructions at all times.
- To work under own initiative.
- Maintain good timekeeping.
- Be prepared for flexible working including out of hours work.
- Work records, timesheets, and all relevant documentation to be completed Daily/weekly.
- Maintain cleanliness and ensure roadworthiness of any vehicle under your control.
- Driving van and trailer (over 3.5 tonnes combined – Cat B+E licence required)

General H&S Responsibilities:

- Comply with Health & Safety requirements: as per training, policies, procedures, risk assessments, method statements, safe systems of work etc.
- Actively seek to improve safety culture.
- Report any H&S issues/accidents/near misses to your line manager immediately.
